BOY SCOUTS  
OF AMERICA®

# PONCA CITY

## BOY SCOUTS &

## CUB SCOUTS

**For details please contact local units through  
[poncacityscouts.org](http://poncacityscouts.org)**

Scouting is a world-wide youth movement that operates in almost every free nation of the world. The Boy Scouts of America was founded on February 8, 1910 and chartered by the United States Congress to work in cooperation with other agencies to provide a character education program to America's youth.

Over 245 local councils, like the Cimarron Council, assist local community organizations in providing the program of the Boy Scouts of America. Each council helps chartered organizations in its geographic area to effectively use the Scouting program and to expand the use of the program to other community groups.

The Cimarron Council is Scouting at its finest with a rich heritage of building leadership skills in youth. The Cimarron Council serves over 1,500 youth Scouters and has over 600 adult volunteers enjoying and delivering the promise of Scouting in nineteen counties across northwestern and north-central Oklahoma!

The Cimarron Council is a volunteer board of directors committed to seeing the council succeed in delivering the promise of Scouting to the youth in our communities.

The Cimarron Council is professional and support staff, supporting the volunteers of Cimarron Council, and striving daily to deliver the promise of Scouting to the existing members of the Cimarron Council, and to open new doors for the Scouting opportunity to be available and enjoyed by new youth, their families, and other supporters of the Boy Scouts of America and the Cimarron Council.

# United Way of North Central Oklahoma Literacy Program

**IMAGINE** if every child in Ponca City, Tonkawa, Newkirk, Burbank, Fairfax, Shidler, Marland, Red Rock & Kaw City entered school ready to learn and with a love of reading. In 2019, United Way of North Central Oklahoma launched the Dolly Parton's Imagination Library; local children will receive a **FREE** age-appropriate book mailed directly to their home until they turn five years old.

By getting on board with Dolly Parton's Imagination Library, the children will be able to lay the tracks for a promising future. "Our gift to your child is free books, your gift to them is the power to read and be ready for school, says J. Berry Harrison III, UW President. Created in 1995 by Parton, the Imagination Library aims to ensure that children have access to books in their homes, regardless of family income, with a specific goal to increase and encourage literacy among children. United Way strongly supports early childhood education so that children will make a successful transition to adulthood. This is done with a focus on improving the quality of early childhood programs and promoting early literacy. Who is eligible? Preschool children ages birth to five who are residents of Ponca City, Tonkawa, Newkirk, Burbank, Fairfax, Shidler, Marland, Red Rock & Kaw City.

How do I register? <https://imaginationlibrary.com/>

To read more about the program, go to [www.uwnco.org](http://www.uwnco.org) and click on the Imagination Library logo.

United Way of North Central Oklahoma's goal is to put a book in every child's hand birth to age five at no cost. With your help we can achieve this goal.

**If you would like to help sponsor this literacy program or need more information about United Way, contact Tara Goldman at 765-2476.**

# CONOCO MUSEUM

501 W South Avenue  
Ponca City, OK 74601

Welcome to the Conoco Museum. Completed in May 2007, the museum's exhibits depict the growth of a company born from the early days of a kerosene distributor and the wildcat days of the Cherokee Outlet, to an international energy empire. This world-class facility celebrates the success of Conoco, which was built not by just one person, but by thousands of employees bonded by old-fashioned practicality and sheer determination. It is their stories that create the heritage that truly is the spirit of Conoco. The museum is now open by appointment only. Tour requests must be made with seven day's notice and are not guaranteed but will be accommodated as schedules allow. Requests will be responded to as soon as possible.
